LG StanbyME Installation

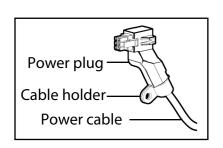

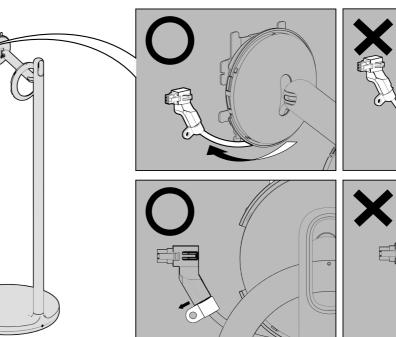

A Insert the stand base into the styrofoam groove as shown in the figure.
B Insert the bar into the hole of the stand base along the groove until it reaches the parting line.
C Secure the four screws.

Check the orientation of the power cable and cable holder.

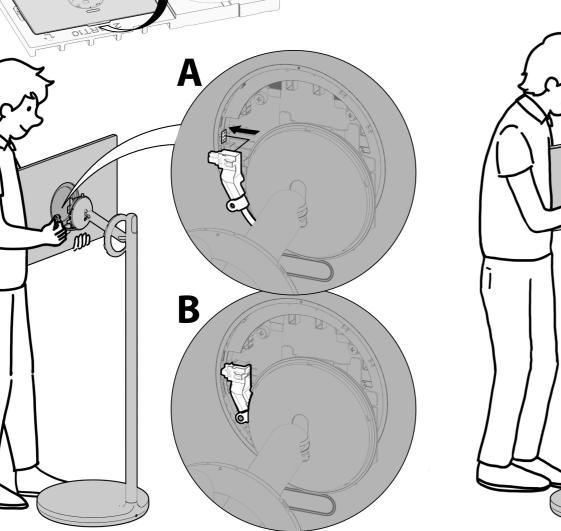

JUL &

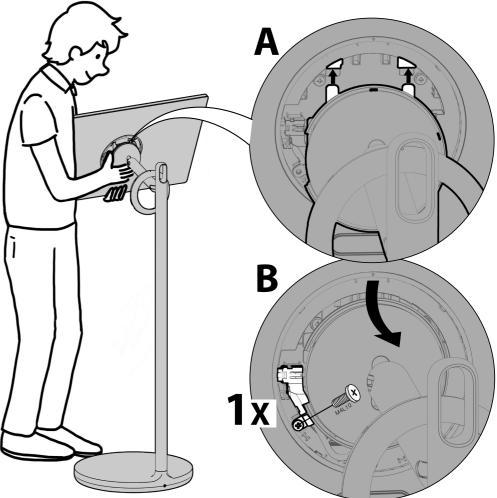

Hold the screen and secure the power plug. A Check the position of the power plug on the back cover of the screen. **B** Secure it tightly to the back cover side.

A Insert the stand hook into the back cover groove and tighten while pushing the lower part, as shown in the figure. (Push it until you hear a [click] sound.)

B Secure one screw to the cable holder.

Secure the ring cover of the stand.

- A Align the screen back cover and ring cover [•mark] and install them.
- B Check if it sits tightly as shown in the figure.
